

Drop Stitch Scarf

Materials: 200 yards worsted weight yarn; size 8 double pointed needles, OR circular needles of your choice to knit with two circulars or Magic Loop

Gauge isn't important for this project.

Cast on 24 stitches, 8 stitches per 3 needles.

Row 1: Knit.

Row 2: Increase 1 in every stitch. (48 stitches, 16 sts per needle)

Continue to knit in the round until scarf measures 17"-20" or however long you want (I knit to about 25". It will be about 2-3 times longer than this when you finish.

Fun row: *Knit 1, then drop 1 stitch* around. (Back to 24 stitches, stitches per needle)

Knit 1 row. Bind off all sts.

Pull the scarf until all the dropped stitches come to the opposite end. Add fringe if you want.

Fun to do! Better not to use knobby or fuzzy yarn as it makes it harder to pull the dropped stitches out.
